

## High-Performance Reliability.

Count on the hand-crafted Bruno Elite Outdoor Curved stairlift to precisely match every angle of your outdoor stairway. Designed to endure harsh weather, the Elite delivers year-round performance and Bruno's renown smooth ride. Enjoy the outdoors with the top-selling outdoor curved stairlift in North America.

**Easy-to-Use.** Sit down, clip the retractable seat belt and press the armrest control to glide up/down the stairs. Swivel the seat at the top landing to safely exit. Keyed, wireless call/send controls come standard.

**Custom.** The hand-crafted vertical rail maximizes open space on the stairs and artfully follows every angle to facilitate a gentle ride.

**Weather-Resistant.** Durable outdoor paint is used on steel surfaces, while Marine-grade vinyl is used on padded seat and armrests. A lightweight, waterproof seat cover comes standard.

**Safe.** Battery operation ensures the lift will work even during a power outage. Sensors will stop the stairlift if an obstruction is encountered.

**Comfortable.** The Elite Outdoor offers a generously sized seat, featuring adjustable seat height and width between the armrests.

### Lifting Capacity

400 lb (181 kg)
