COMMERCIAL ALUMINUM SOLID

# LATITUDE SERIES™ COMMERCIAL ALUMINUM SOLID

Restore access to your business with the Latitude Series™ Aluminum solid decking ramp. A fully compliant wheelchair ramp isn't just good for your business; **IT'S THE LAW.**

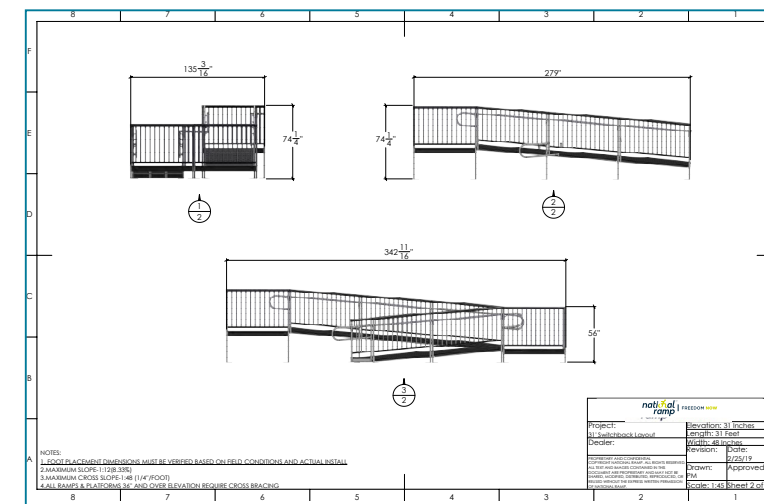

National Ramp has designed the Latitude Series™ ramp to meet your business needs. From municipalities to schools, restaurants to places of worship, the Latitude Series™ can get your business up to code quickly.

National Ramp's Latitude Series™ ramp is available in two widths, 48" and 54", to satisfy ADA and IBC codes.

National Ramp offers a quick turnaround time for standard CAD drawings\* for your permit submission. (\*Custom CAD and wet-stamped drawing services are available)

Once your layout is approved, our in-stock warehouse is ready to ship your ramp materials the same-day.

**Your ramp will be installed within hours and is usable as soon as the installation is complete!**

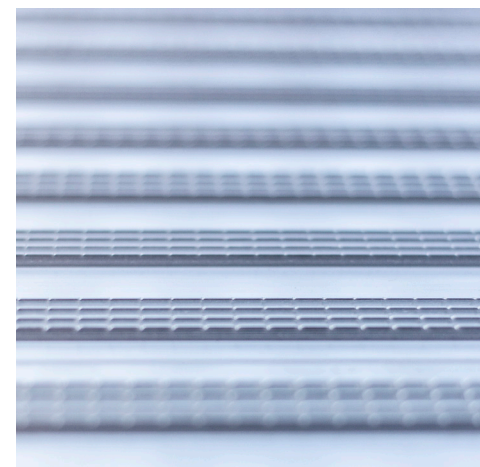

## MODULAR DESIGN

**EASY TO  
RELOCATE AND  
RECONFIGURATE**

## QUICK AND EASY INSTALLATION

### Permanent slip-resistant surface

Continuous internal handrails  
for smooth grasping surface

Manufactured from high-quality, maintenance-free aluminum
